Dow Medical University,  
Karachi, Pakistan.

17<sup>th</sup> May, 2022

**SUBJECT: JOINT CELEBRATION OF INTERNATIONAL DAY OF MIDWIVES AND INTERNATIONAL DAY TO END OBSTETRIC FISTULA**

Health Services Academy is an implementing partner with UNFPA and is working on strengthening of midwives. The main objective is to ensure that the global community recognized the importance of instituting quality midwifery programmes and amplifying the life-promoting work of this virtuous profession.

The world observed the International Day of the Midwife on May 5, which also marked the 100th anniversary of the International Confederation of Midwives (ICM). To pay tribute to the midwifery community HSA has planned a gathering for commemorating International Day of midwives and International Day to End Obstetric Fistula. In this regard, joint celebration event is planned for discussing the achievements and foreseeing challenges together with the means to mitigate them, without compromising the quality of maternal health care.

You are requested to please join for subject matter stated above and also nominate 02 midwives from the Post-RN BS Midwifery program for the event planned on 23<sup>rd</sup> May, 2022 at Workshop Hall, Health Services Academy, Islamabad, from 9:00am to 12:30pm. Agenda is attached for reference.

For any queries related to the meeting kindly contact Dr. Dania Hassan ([danial@hsa.edu.pk](mailto:danial@hsa.edu.pk)), Ph#+92334-6905959).

Thanking you in anticipation.

**Dr. Maryam Sarfraz**
