

**BOOK LIST FIRST YEAR BDS**  
**BATCH X 2020-2021**

**ORAL BIOLOGY:**

- |                     |   |
|---------------------|---|
| 1. Oral Histology   | 1. Oral Anatomy, Histology and embryology (B.KB Berkovitz, 5 <sup>th</sup> edition) |
|                     | 2. Tenca's oral histology (Antonio Nanci, 9 <sup>th</sup> edition)                  |
| 2. Tooth Morphology | 3. Wheeler's dental anatomy, physiology and occlusion (10 <sup>th</sup> edition)    |

**PHYSIOLOGY:**

1. Guyton & Hall, Textbook of Medical Physiology (13<sup>th</sup> Edition)
2. Essentials of Medical Physiology, Jaypee Brothers (7<sup>th</sup> Edition)
3. Review of medical physiology Ganong (25<sup>th</sup> Edition)

**ANATOMY:**

- |                       |   |
|-----------------------|---|
| 1. Histology          | 1. Laiq Hussain (5 <sup>th</sup> Edition)D                                      |
|                       | 2. Wheater's (6 <sup>th</sup> Edition)  |
| 2. General Anatomy    | 1. BD Chaurasia (6 <sup>th</sup> Edition)                                       |
|                       | 2. Keith L Moore, Clinically Oriented Anatomy (6 <sup>th</sup> Edition)         |
|                       | 3. Gray's Anatomy (41 <sup>st</sup> Edition)                                    |
|                       | 4. Snells clinical anatomy by regions (10 <sup>th</sup> Edition)                |
| 3. General Embryology | 1. Langman's (13 <sup>th</sup> Edition)   |
|                       | 2. The developing Human, clinically oriented Anatomy (10 <sup>th</sup> Edition) |
| 4. Neuroanatomy       | 5. Snells, Clinical Neuroanatomy (7 <sup>th</sup> edition)                      |

**BIOCHEMISTRY:**

1. Harpers Illustrated Biochemistry (31<sup>st</sup> edition)
2. Lippincott's Illustrated reviews (7<sup>th</sup> Edition)
3. Textbook of Medical Biochemistry (Chatterjee, 8<sup>th</sup> Edition)
