REMINDER FOR ATTENDANCE

This notice is served again as a reminder for students of all batches currently enrolled in this College, that as per requirement of PM&DC it is mandatory for them to maintain 75% attendance as minimum, in all types of teaching / training sessions conducted during the whole academic year. Therefore, all students are directed once again to regularly attend classes to avoid any disciplinary action.

Moreover, maintaining attendance at least at this prescribed level is a precondition to be eligible for taking any test / examination, therefore, any student whose attendance falls below 75%, may not be allowed to appear in module test / exam.
