Ref No. DMC/Co-ord/2022/ 1942

19th August, 2022

ATTENTION

Students of First to Final Year MBBS

It has been noticed with great concern that, sports activities carried out by students in the courtyard are causing damage for passing by students & visitors along-with creating disturbance in teaching in the adjacent lecture halls. Therefore, all students are directed to ensure observing following guidelines for playing any sport in the courtyard area:

- Sports are allowed only during break timings i.e. **10:30am to 11:00am** and **1:30pm to 2:30pm**.
- No sports activity shall be carried out in the Anatomy Courtyard so that at least passage remains available for the Faculty and students to pass through to the Basic Sciences building safely.
- Playing with a cork ball/tape ball is not allowed as it causes more damage to the people & property.
- Sports activities are not allowed during an examination being conducted in the adjacent lecture halls.

A strict disciplinary action will be taken against those found involved in violating the discipline.

Prof. Saba Sohail
Principal
