PROF. MOHAMMED SAEED QURAISHY

Vice Chancellor
Dow University of Health Sciences

MESSAGE BY VICE CHANCELLOR

Dow University of Health Sciences was established in 2004, with the Vision to provide quality education in order to produce leaders and qualified professionals in healthcare, health education and healthcare service delivery, by imparting knowledge through excellence in research and education. Our Vision today is to be the preeminent institution committed to

changing and saving lives.

There is a great responsibility of assuring quality education and service delivery at all levels of the institution. Dow University of Health Sciences has emerged as the fastest growing institution offering quality medical education in all of South Asia and it is the result of the dedicated team efforts that Dow University is ranked ahead of many regional medical institutions. Dow University of Health Sciences has also made an impact at national and international levels, especially through its graduates who have gone to achieve progress and prosperity globally.

The alumni of this University have proven to be successful, resourceful, and philanthropic individuals who have contributed their time, efforts and resources to make a significant impact on their society. We aim to create an environment that fosters physical, emotional, and psychological wellness, and look to advance healthy lifestyles. By constantly measuring our deliverables, we have succeeded in creating an infrastructure of state of the art equipment and technology that meets the need of the future, and provides superior healthcare delivery systems today.

There has long been a need of a multidisciplinary rehabilitation facility in Pakistan, so first civilian Institute of Physical Medicine and Rehabilitation (IPM&R) was established in 2007 under the umbrella of Dow University of Health Sciences.

I am optimistic that graduates of the DPT program will serve humanity by strengthening the concept of a knowledge based economy in Pakistan through their innovation, scientific and entrepreneurial skills.
